SUMMARY

BSc IT student with hands-on experience in Microsoft Azure cloud services, web development, and Linux server administration. Completed Microsoft Elevate (AICTE) internship covering Azure infrastructure, cloud administration, and AI/ML fundamentals. Proficient in HTML, CSS, JavaScript, Git, and responsive design. Seeking internship or entry-level roles in web development, cloud, or data administration.

EXPERIENCE

Microsoft Azure Intern

Jan 2026 – Feb 2026

Microsoft Elevate – AICTE Program

- Completed 85+ hours of structured training across Azure infrastructure, cloud administration & engineering, and AI/ML modules via Microsoft Elevate.
- Configured and deployed Azure services through hands-on labs, gaining practical knowledge of virtual machines, resource management, and enterprise cloud workflows.

PROJECTS

Personal Portfolio Website

ramsingh.me ↗

Built and deployed a portfolio site with SEO metadata, JSON-LD structured data, and social integration. Served via Vercel and Cloudflare CDN.

HTML/CSS · JavaScript · Vercel · Cloudflare · SEO

Oracle Cloud VPS

Provisioned and maintained a 24/7 Oracle Cloud Free Tier Linux VPS with VNC virtual display, demonstrating practical cloud administration and Linux CLI skills.

Oracle Cloud · Linux · VNC · Cloud Admin
